Product description:

10W Aluminium Extruded Sections High Power LED Spotlight Series

Lamp:5pcs 2W LED;

Base Type: GU10/E27;

Output Power: 10W;

Beam Angle: 30/45/60 degrees;

Reflector Efficiency: 90%;

Material: Aluminium extruded sections;

Body Temperature: <60degrees;

N.W: 270g;

G.W:310g;

Available color:cool white,white,warm white;

Certificate:CE,ROHS.

Applications:

Desktop lighting

Aisle lighting

Point lighting source for buildings

Showcase lighting

Residential lighting for bedroom, study, living room, kitchen, and so on

Commercial lighting for office, hotel lobby, shop, exhibition room, and so on

Technical Operating Data:

ITEM	NO	Lamp base	Color	QTY	Wave length	Lum.	Input Voltage	Forward Current	Beaming Angle	Power
					(nm,k)	[lm]	VDC/VAC	(MA)	Degree	(W)
FHS-5201	1	E27	cool white	5	5000-7000K	600	85-240VAC	500MA	30/45/60	10
	2		white	5	3800-5000K	550	85-240VAC	500MA	30/45/60	10
	3		warm white	5	2800-3800K	500	85-240VAC	500MA	30/45/60	10
	4	GU10	cool white	5	5000-7000K	600	85-240VAC	500MA	30/45/60	10
	5		white	5	3800-5000K	550	85-240VAC	500MA	30/45/60	10
	6		warm white	5	2800-3800K	500	85-240VAC	500MA	30/45/60	10
